Annual Reports Due for UCC Yearbook and Directory

It's that time of year again, as the United Church of Christ has opened up yearbook reporting. The UCC Yearbook and Directory provides statistics as reported by local churches and conferences of our denomination. **Each church is asked to submit information such as membership numbers, financial data, and contact information.**

Last year, the Southeast Conference, which was one of the Conferences on the bottom of the reporting list, received an incentive from the UCC because we improved out reporting statistics so much. Let's try to get an incentive again this year!
